RESOLUTION

Whereas recent legal decisions have prompted the question of ownership on federally granted rail corridors throughout the State of Wisconsin, and

Whereas it is the understanding of the Governor's State Trails Council that several segments of proposed existing trail segments in the Wisconsin Trails Network Plan are potentially federally granted rail corridors,

It is therefore RESOLVED that the Governor's State Trails Council endorses pursuing consolidation of ownership on the Bearskin State Trail and requests that the State of Wisconsin commence pursuit of continuous title to the Bearskin State Trail.

Passed this thirteenth day of October 2003 by the Governor's Wisconsin State Trails Council.
